

THE FOSTER RUSSELL family foundation

The official newsletter that keeps you in the "now" of Foster Russell Family Foundation latest projects and programs.

Founder, Karith Foster

Jan/Feb. 2017 Edition

Our lovely booth at NACA. Prepping for the rush of "CAMP."

Our Launch at NACA Nat'l Conf. Baltimore, MD

The Foster Russell Family Foundation was proud to make its debut at one of the largest collegiate conferences in America, NACA (National Association for Collegiate Activities) 2017 National Conference. The theme was #BEMORE and we were! It was our first time having a booth and we couldn't be happier with how it looked and the response we received for our programs. Of all who attended, delegates from 36 states and over 125 institutions were interested in bringing our programs to their student body.

#Inversity is needed everywhere.

ISFLC 10th Anniversary Washington, D.C.

It was an honor to be asked to present a keynote at the 10th Anniversary of ISFLC (International Students For Liberty Conference.) Karith presented Stereotyped 101™ to a warm welcoming crowd who not only laughed at 9 in the morning but embraced spreading the idea of diversity and inclusion on their campuses.

Upcoming Events
